

Enrollment of Extension Professionals for the “MANAGE Agri-Clinic”

MANAGE is planning to have a “MANAGE Agri-clinic“ to promote private agriculture extension services to the farmers and looking for skilled and experienced retired professionals related to Agriculture and allied sectors for providing extension service to the farmers on voluntary and nominal fee basis . MANAGE will conduct the competence assessment of the interested professionals and enroll them as a panel of agri-advisors. MANAGE will also facilitate to connect with the needy farmers and give extensive publicity through MANAGE Website, Social Media, and Partner Organizations. Interested professionals from **Andhra Pradesh and Telangana** may enroll by filling an application and e-mail it to: manageagriclinic@gmail.com.
